Admiral Saviorius vernment dit here, and depend upon the regularity of their returns to meet their engagements, are DON PEDRO'S EXPEDITION.

Idaily stopping payment, and they must unforfulmouth, Monday, August 2d, 9 o'clock, tunately be ruined. At this moment we are tunately be ruined. At this manuely surrounded by 24,000 of Miguel's troops, surrounded by 24,000 an attack. Our

Portuguese contest, of considerable interest.

In the first place, they all concur in representing the spirit of the troops and people of Oporto as being excellent, and devoted to the cause of Don Pedro; but in other respects to the they up not give account of any advance made by him, or any immediate prospect of such a result. In the next, they bring the highly important intelligence of the boltmass of the second th important intelligence of the bottoness of Don Miguel's squadron, which has come up the coast, and was, when the Alban sailed, about three leagues to westward of the mouth of the Daro.

The Madagascar and Meteor steamers, were the Madagascar had just arrived there from Acre, where the officers were visit ed by the Pacha, who presented each with a cost, and was, when the Alban sailed, about the first leading to westward of the mouth of the Dirio.

With respect to matters at corto, the accessits bring nothing new. Don Pedro was limited to the town and suburb of Villa Nowa and the strongs on the opposite side of Douro. He has intertown, as well as that Miguel had been intertown, as well as that Miguel had been intertown, as well as that Miguel had been object to withdraw part of his force in order mouth of the means to pay, having given all his crops to the Miguel's troops had not, however, diminished, as they had, notwithstanding the possessian of Villa Nova and the strong convent of the Madagascar had just arrived there from Acre, where the officers were visit and by the Pacha, who presented each with a sword, and to each seaman three dollars.

Beussels, and to ach seaman three dollars.

Consult at Pripot, which the Scilla sloop, were despatched on the 6th July, from Napoli, to protect Mr. Warring, our Consul at Pripot, who had subsequently been obliged to embark in one of them, the Pacha having refused to pay 100,000 dollars due to the British subjects, which the Pacha affirmed he had no means to pay, having given all his crops to the Viench for claims they had on him.

BRUSSELS, Aug. 24.

A dead calm prevails at this place. Ar-

A dead calm prevails at this place. Ar rangements are in progress for sending plenion the south side of the river, and annoyed potentiaries to various powers. A courier arrived yesterday with an autograph letter from the Emperor of Austria, in answer to one addressed to him by King Leopold. The cholera is making cruel ravages in this city, the number of deaths has increased to 47 a day. M. Degorges Legrand, member of the Senate, and one of the greatest manufacturers in

Europe, died yesterday of this disease.
Sr. UBES, Aug. 16.
Vessels still continue to call off here; th day before yesterday two came over the bar

fev steps distant. Povidence directed the bill so that it but slightly grazed his Majesty shoulder. The Aid-de-Camp instantly it is to be expected, be announced in a few tuned round and so zed the perpetrator, who unde no resistance whatever. He is a captum in the Imperial service, and has a pension. The cause of this crime must appear for investigation, at present, insanity seems to be the ground of it.

The report of the circumstance spread in law in like with fire, and the impression which in produced a furthed a flust proof of the enture attachment of the Austraan people, to the Imperial famility only the military escort could lay the criminal from the fury of the people, who wants to take vengeance on the spot—The intention of the people of Vienna at this details in crime is equally great.—Al

is the craiminal from the farry of the people, who wants to take 'empeaned on the spot—
The influction of the people of Vienna at this desirable grained in the cabinet.
